# REFLECTIONS FROM PAST TO PRESENT

The history of Waynesfield Schools begins with the formation of Wayne township in 1834. It was not until 1838 that the first schoolhouse was built, located about  $\frac{3}{4}$  of a mile southeast of the town square. It was a log cabin with paper windows, an old fashioned fireplace and a stick chimney.

The second log building, erected on East Wapakoneta St., was not much different from the first, but it had glass windows. School was taught in this building until 1860.

At the end of the 1850's a new school building was erected. However, in 1873 or 74 it was moved to N. Westminster St. & occupied as a house.

In 1874 school was taught in a two-story brick building at 200 S. Westminster St. This building is now in use as Yale Bros. Printing Office.

At the end of W. Perry St. a ten-room

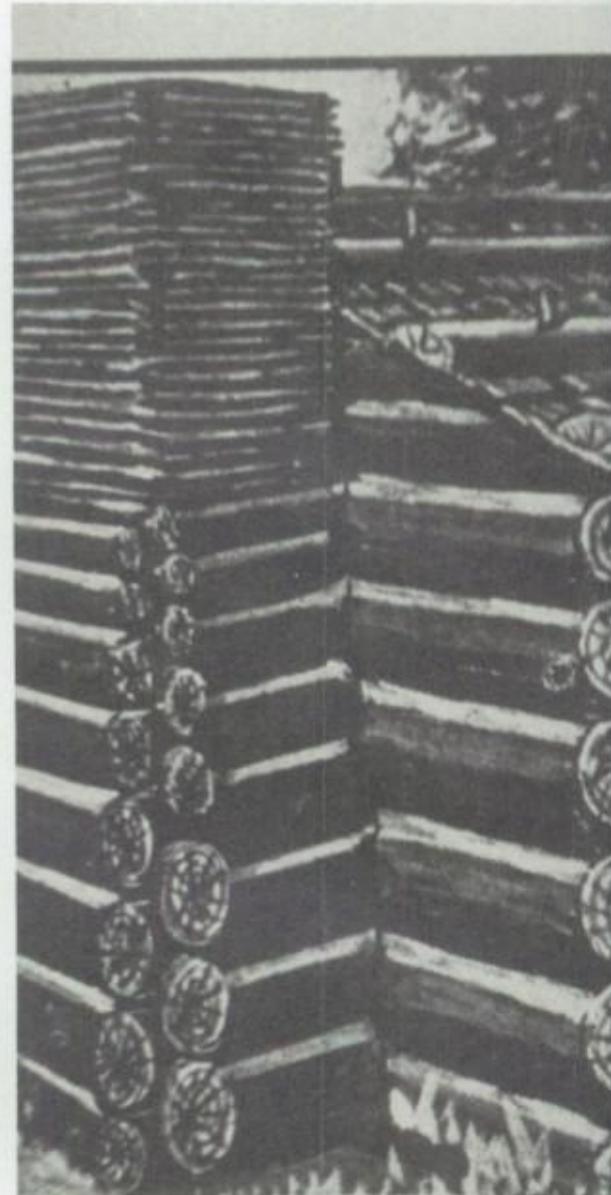

brick structure was built on a full basement with four furnaces to heat the building. It had two floors with two main hallways on each floor.

The present structure was completed in 1936 & was built with help from the WPA during FDR's term in office.

Ending at the cafeteria, the original building was added on to in 1952. The new addition included the band & home ec rooms & the second floor hallway. In 1965 the art, vo-ag, & ind. arts rooms were added.

In 1958 Waynesfield and New Hampshire combined to form the Wayne-Goshen school district.

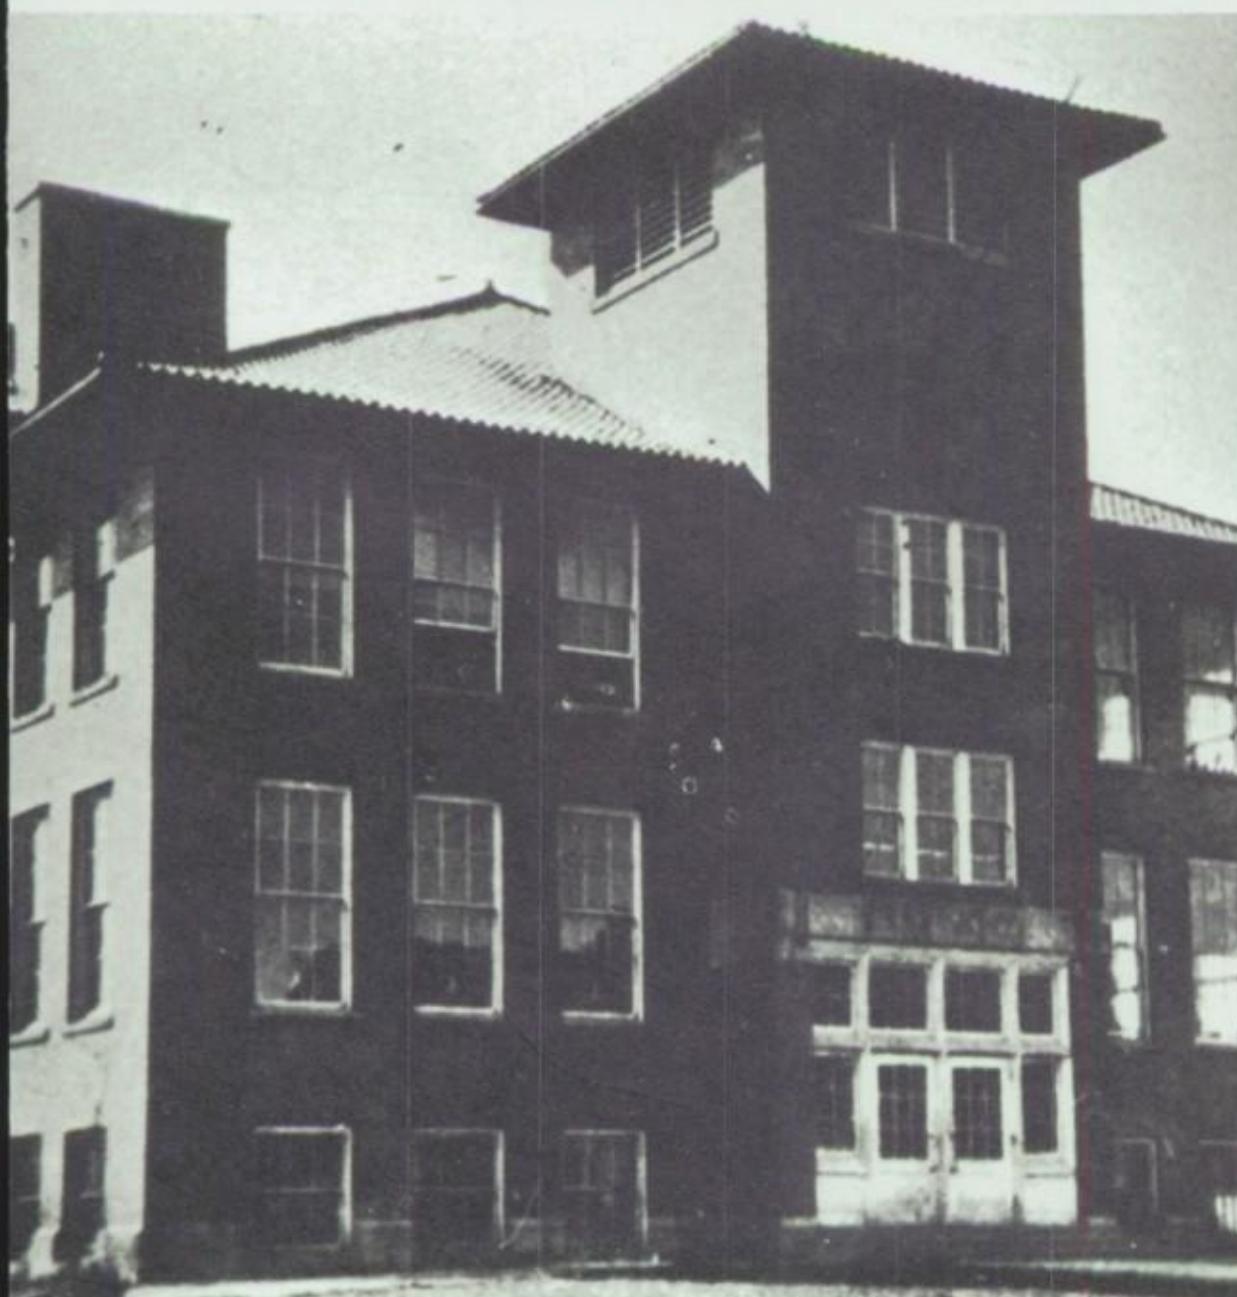

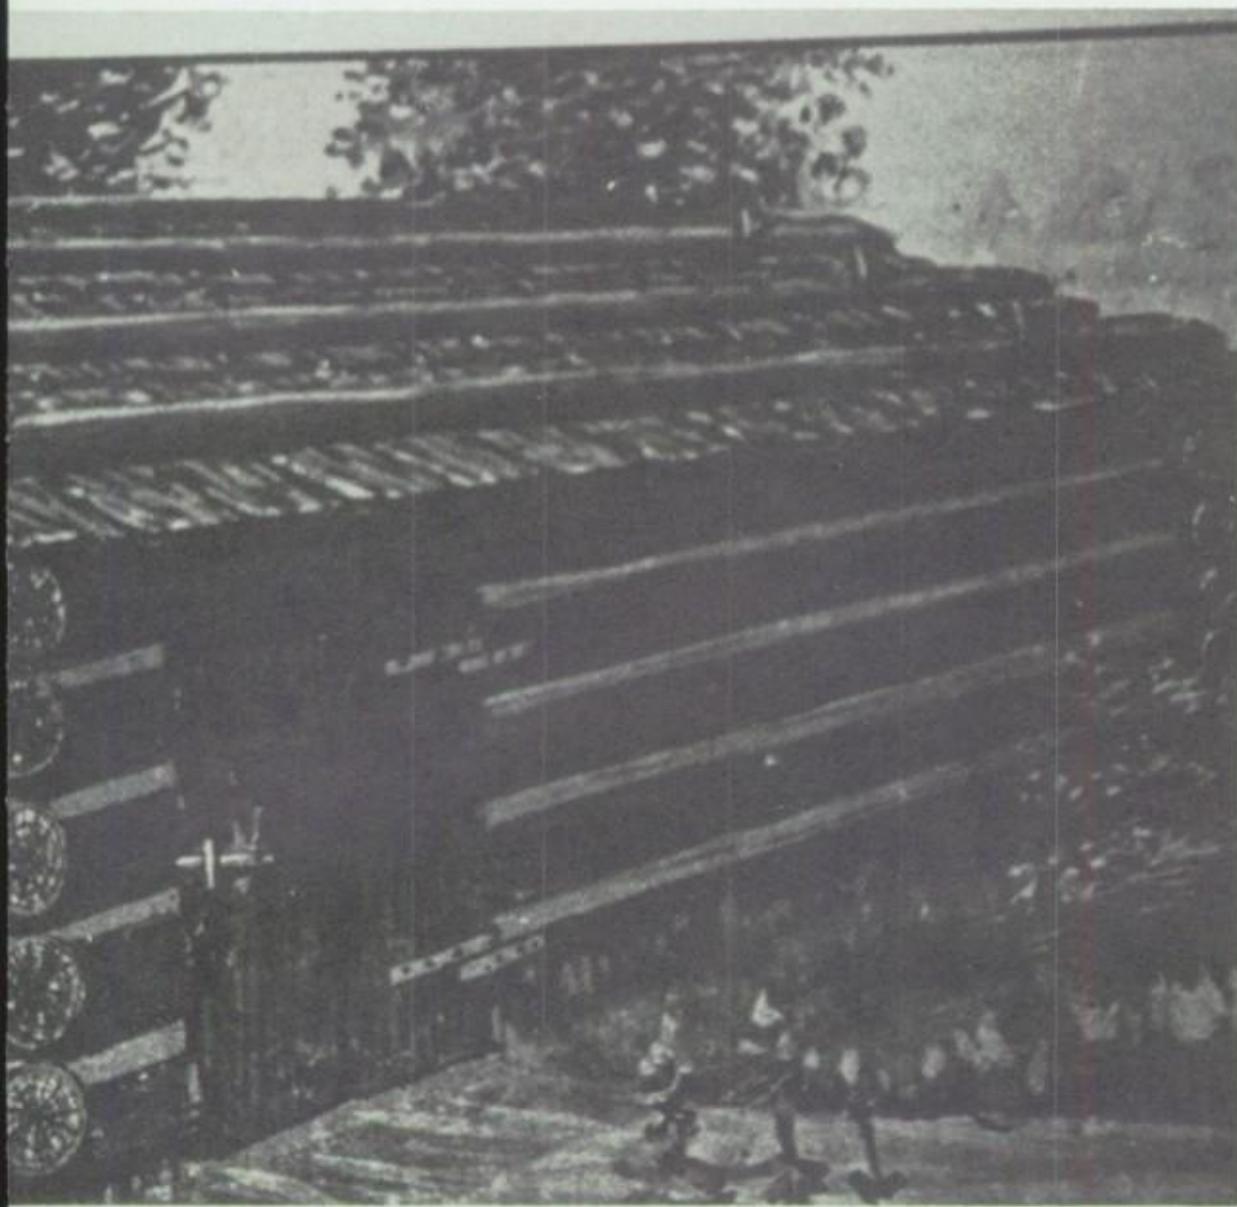

Looking back over the past 151 years, it is easy to see that although the Waynesfield-Goshen School has had many forms it has always had reason to reflect on its Tiger Pride.

# DEDICATION

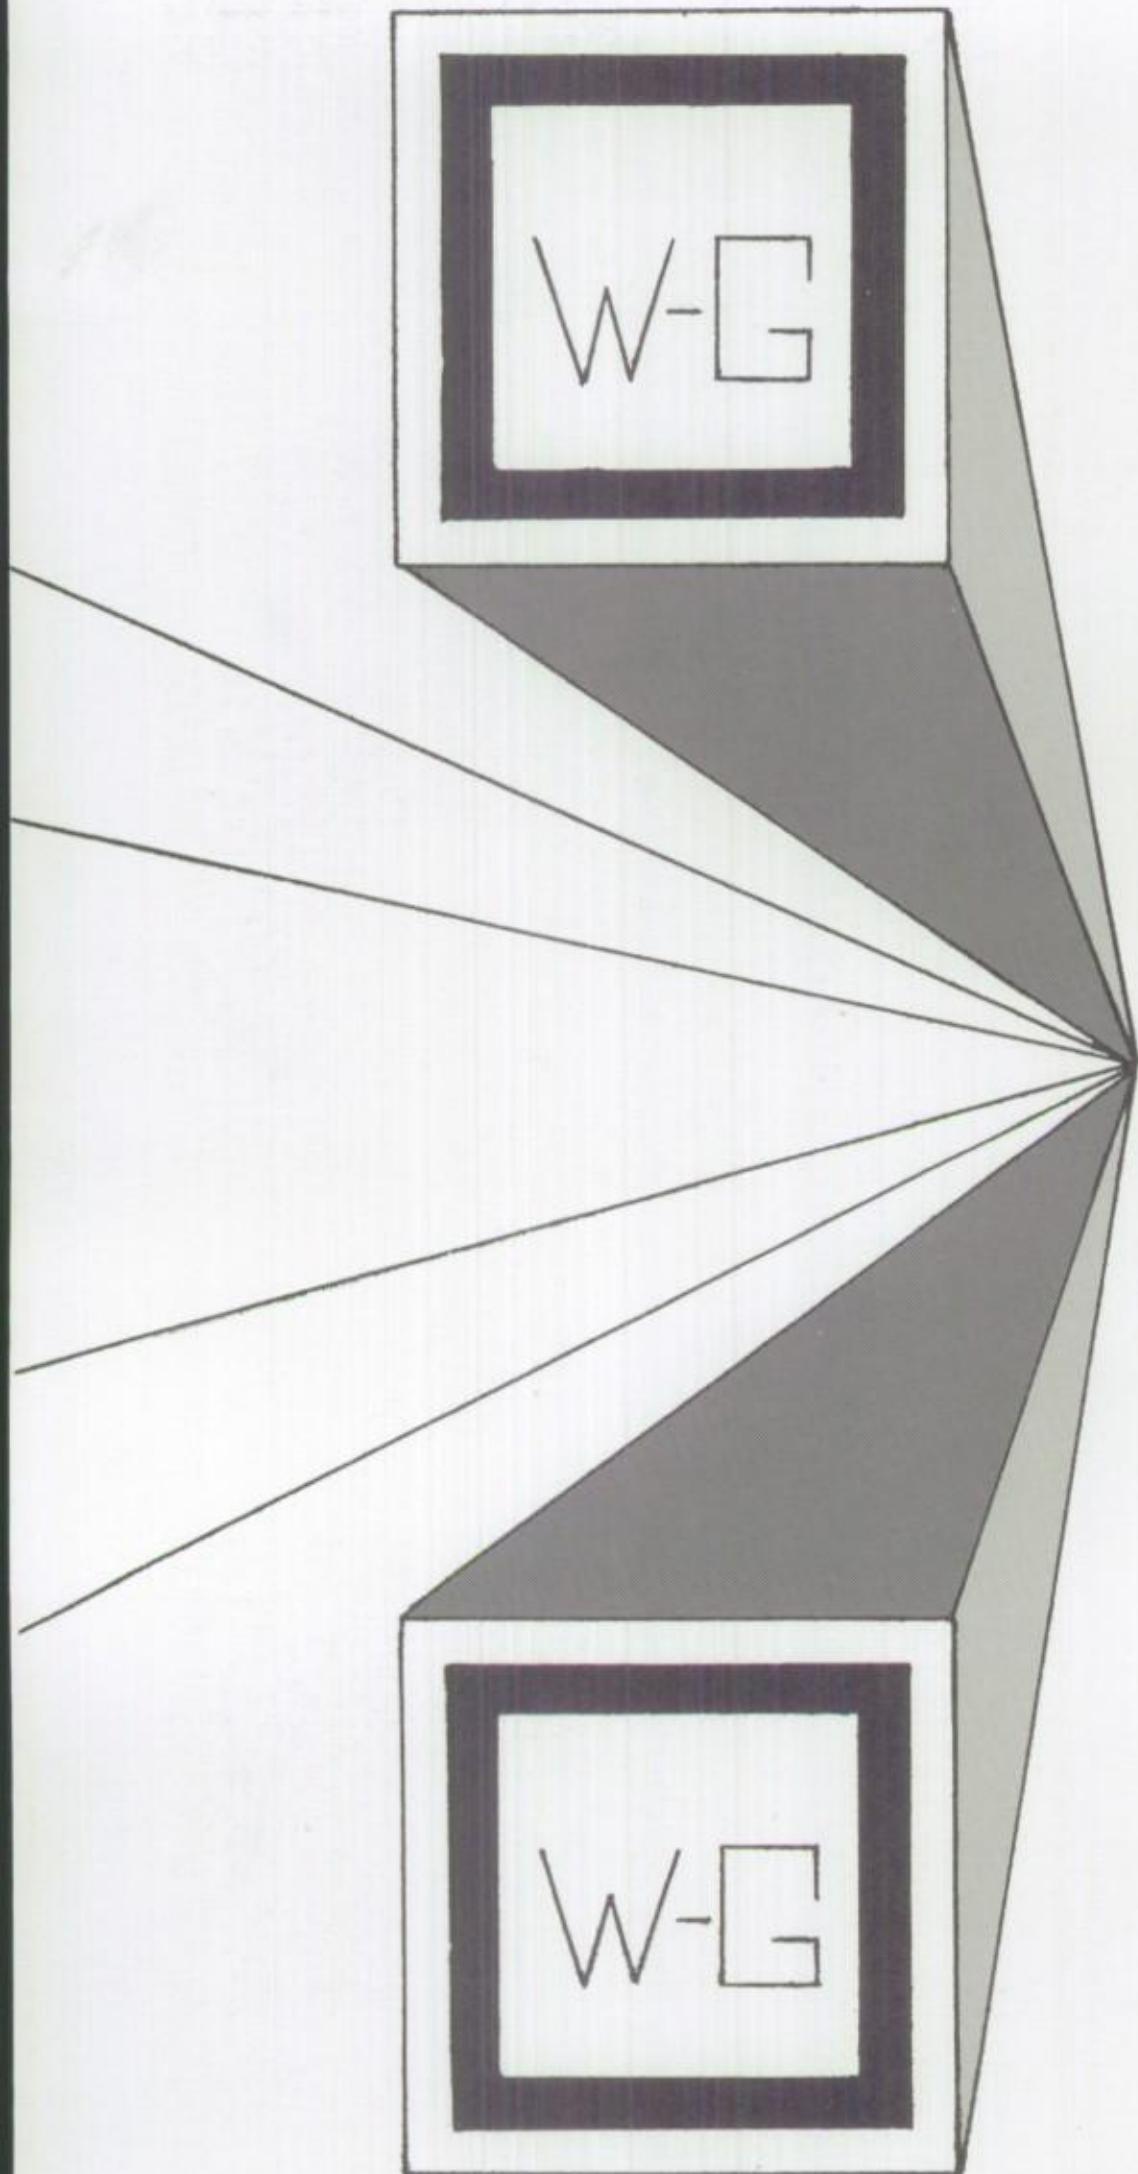

Miss Ida Estrada came to WGHS in the fall of 1966 from Havanna, Cuba. She was a welcome addition to our faculty and taught Spanish for 19 years. Miss Estrada has a law degree from the University of Havanna and received further education at Ohio State University. She received her American Citizenship during the 1973-74 school year. We all wish her happiness as she leaves us for those leisure years of retirement. Adios Senorita Estrada. We dedicate this book to you.

Converging on Waynesfield school in the fall of 1972 was its first kindergarten class. Little did we know as 6 year olds, that as individuals, & as a class, we would go through some rocky roads growing & changing at W-G. Thanks to Mrs. Cox for giving us our first experience of learning & working together.

During our 13 years of school we've found out what it was like to stand in the corner in first grade & to be the only kid in school with gum on their nose. Later, when we were in Jr. Hi some of us found out what team sports were like & others tried band. We can see from this old Jr. Hi band picture that 22 of us had been in band.

High school saw new changes in our class. That first day as Freshmen we thought that we were "big stuff", but soon found out what seniors were & wished we could be like them. During our four years of high school some of us participated in teams that won WCOC titles in track, basketball & baseball. Others found themselves participating in musicals, band both on the field & in concert, chorus, FFA, FHA, yearbook staff, student council, & other organizations.

Our Junior year saw changes in the roles of the boys & girls. During Homecoming a few boys dressed as cheerleaders & the girls took the guys place on the football field in powderpuff. After watching the Juniors change the gym every year, we finally got our chance to plan prom. I don't think that anybody will forget all the fun & hard work that went into transforming the gym into our theme "Take a Chance".

As a class of new Seniors in the fall of 1984, I think we were all very excited & looked forward to the "big" year. I don't know about other senior years, but ours was a big year of change. Changes in attitudes, personalities, & even friendships. Some of the old gang didn't seem the same & we found ourselves looking to form new relationships. Romance struck a few of us. Was it the girls chasing the guys or the guys chasing the girls? Oh well, it struck us & some of us pretty hard & will lead to marriages to our high school sweethearts.

That's a look back over our school years. It's been a long road & it hasn't always been easy. I think all of us had a favorite teacher somewhere along the line who helped us grow that we will always remember. Special thanks to those that gave us a nudge to keep us going. Although graduation seems like the end, it's really only the beginning of our lives as productive individuals in today's ever changing society.

The Waynesfield Goshen Chapter of the Future Homemakers of America was started in 1952 receiving its charter from the State of Ohio. During the past thirty years, the Waynesfield Chapter has been an active organization at the State, County, and Local levels. Past chapters have participated in community events such as the March of Dimes and Cancer Association fund drives. In 1971 the Ohio FHA chapters adopted the Columbus Children's Hospital as a State project and since that time the Waynesfield Club has held a yearly Rock-a-thon for this charity. State skill events were added to the organization in 1972 allowing chapter members to compete for ratings in areas such as parliamentary procedure, speaking and planning areas. Annual events for the Local chapter have included such things as attendance at District meetings, State Convention, County meetings, the teacher's breakfast & regional competition. The organization presently has 27 members and is proud to have Michelle King as the first member to have been elected to serve as a District President for the 1985-86 school year.

Courses in Vocational Agriculture, under the National Vocational Education Act, were first established in 1917. The Future Farmers of America was organized in 1928, in Kansas City, Missouri. The National Convention has been held in Kansas City ever since. Each year the state holds its own convention in Columbus. Vocational Agriculture was started at W-G in the early forties. Since this chapter was established, we have had fifty members earn State Farmers Degrees and two members earn American Farmers Degrees. Every year the chapter donates its time to various community activities such as doing Chicken Bar B-Q's and collecting for the Heart Fund. We end our year with an Annual awards banquet and crowning of our Queen.

## GIRLS VAR. BASKETBALL

TIGER GIRLS FINISH '85 SEASON

10-10  
3rd. in WCOC

Led by seniors Natalie Taylor & Melissa Wilcox, the 1984-1985 Tiger girls basketball team finished with a 10-10 mark. Exciting wins over Lima Shawnee, Botkins, and Indian Lake highlighted a season of "ups and downs". After a slow 3-4 start the first third of the season the Tiger girls went on a 6-2 streak to run their record to 9-6. However, four losses in the final five games including a 58-47 loss to Bluffton in the sectional tournament ended the season at 10-10. Tiger Award winner Natalie Taylor scored 500 points in her three years of varsity play. Melissa Wilcox scored 476 points in her three years on the varsity. Taylor was named to the second team All WCOC and Wilcox and Brenda Risner were named Honorable Mention. Brenda Risner earned the "Top Rebounder" award and Melinda Horn was the "Most Improved" player. Natalie Taylor was named to play in the East-West Senior game at Fort Jennings High School. Members of the team are: Carla Risner, Nannette Carter, Julie Shaw, Melinda Horn, Brenda Risner, Melissa Wilcox, Kristi Price, Natalie Taylor, Leigh Ann Davis, Amy Young, Coach Horn.

## BOYS VAR. BASKETBALL

TIGERS WIN WCOC!

The 1984-85 Boys Varsity Basketball season was a season that will be remembered for many years at W-GHS. It saw a group of Seniors, who at the beginning of the year were told this season depended upon their leadership, react in an unbelievable way. They were now winners at last in basketball. They had accomplished a goal that no other Tiger Basketball team had been able to do, win a WCOC Basketball Championship. They had accomplished another major goal, had the first winning season in 16 years at the school. Why had they been able to do these things? They had dedicated themselves to the game of basketball. A couple of highlights of the season were the Indian Lake game which clinched the WCOC Championship. Also, our sectional tournament win against Bluffton HS which put us into the Sectional Finals against a Lima Perry Squad. Soph. Dan Coder was named to the WCOC First Team and Rob Gilroy to the Second Team All League. Coach Riggs was named WCOC Coach of the Year. Thanks to our Seniors Rob, Tod, Gary, Wes, Mark, Brian, and Randy who brought you a winner in Boys Basketball. Members of the team are: Row 1: Jeff Ingle, Shawn Hefner, Kraig Buffenbarger, Rex Motter, Randy Huffer, Larry Gross. Row 2: Coach Riggs, Gary Spencer, Marc Cron, Tod Lament, Dan Coder, Wes Mortimer, Rob Gilroy, Brian Miller.

## J-V GIRLS BASKETBALL SQUAD

The J-V Tiger girls ended the 1984-85 season with an overall record of 11-5 and a WCOC record of 6-1. The team's top three scorers were sophomores Amy Young, Julie Shaw, and Leigh Davis. They, along with junior Kristi Price, saw lots of action on the varsity team this season. The highlights of the season include the strong league wins and upsetting a very strong Hardin Northern team.

Row 1: Amy Kysenceder, Ginger Hoverman, Daphne Cummings. Row 2: Coach Horn, Amy Andrews, Julie Shaw, Leigh Davis, Dena Linn, Amy Young, Holly Buckmaster, Kristen Bales.

## J-V BOYS BASKETBALL SQUAD

The J-V basketball team had an overall record of 4-16 and a WCOC record of 3-5. Though the record was not impressive, the team's improvement over the year was quite noticeable. The team worked hard all year and turned into a good basketball squad by the end of the year. They showed a winning attitude by never giving up throughout the season. The highlight of the year was a 69 point output against a good Riverside team. The J-V team would like to thank the student body and the community for their support throughout the year.

## W-G TIGER VOLLEYBALL TEAM

The 1984 Volleyball season holds many memories, those of disappointment and those of happiness. The Reserve and Varsity teams each won one game which was discouraging. Regardless, the girls continued spending many long hours working hard to improve themselves not only individually but also as a team. I was glad to be given the opportunity to work with these girls. Eventhough we will all miss the graduating seniors, I see great potential with the athletes who will be remaining and hope they will have many successful seasons in the future. The co-captains for the Varsity team were Christy Barnes and Natalie Taylor

while representing the Reserve team as co-captains were Tonya Funk and Amy Young. Individual Awards: Tiger Award — Christy Barnes; Most Improved — Lori Williams; Most Valuable Reserve Player — Amy Young. Team members are: Row 1: Kim Cummings, Laura Rolston, Natalie Taylor, Tracey Riff, Carrie Bowman, Mickey Runkle, Christy Barnes, Rose Lane, Carin Williams. Row 2: Coach Powell, Nanette Carter, Carla Risner, Margie Gilroy, Kellie Schultz, Amy Young, Tonya Funk, Lori Williams, Lura Easton, Teresa Roberts.

# REFLECTIONS IN THE MUSIC DEPT.

Reflecting back with "Tiger Pride" in our music department, we found in 1914, the Senior Class had 2 quartets with 2 male & 2 female singers each. In 1915, an 11 member orchestra was established under Miss Butcher and a 12 member Glee Club under Miss Means. Over the next few years, both grew in membership.

In 1934 a Mixed Chorus was established with 54 members but in 1940 was split into a boys and girls Glee Clubs and also a Symphonic Choir.

The first band as we know it was established in 1941 under Mr. Swickard. In 1946 the band was split into a Senior Band and a Junior Band and no vocal music was represented. Chorus was reestablished in 1948 with 66 members.

The 1950's saw a variety of choir and chorus combinations from all male or female voices to mixed choruses. The 1st pep band was formed in 1959 with 13 energetic members. The fall of 1959 also saw the Junior High Music program initiated.

The sixties saw changes and a county wide music program established. County Chorus and Band combine the best vocal and instrumental students in the area for

a once a year concert.

As entertainment for our area continued the Musical play became a highlight of the year. Mr. Nihiser & Mrs. Coder started a tradition by presenting "The Sound of Music" in 1969. The Musical tradition has been upheld through our present time with this season's production of "Teen".

Contests & competitions have always been a major part of the Music program & over the years many honors & awards have been won. The department boasts 24 trophies for both vocal and instrumental triumphs. Individual excellence awards are something everyone strives for & we are proud to have three very special ones. The John Phillip Sousa Award was first given to Dan Miller in 1959; The National Choral Award to Vicki Sproul in 1967; and the Louis Armstrong Jazz Award to Pat Ridenour in 1979.

Football games, concerts, plays, the band & chorus continue to entertain us. Our Tiger Pride will continue even though faces and times change.

## THE FORCE BEHIND THE MAGIC

Another school year — another Junior class — another Prom to plan. New ideas to put together and the excitement begins again. Four days before that magical night the Juniors take over the gym and the work really begins. Hanging the ceiling has to be just right or we start over as we found out. Working all day, then into the night we finished up just right. Saturday night finally arrived and the magic was there again.

## ROMANTIC MEMORIES OF PROM '85

## "I CAN'T FIGHT THIS FEELING"

Yearbook staff activities start at the beginning of the year with the organization of ad day and we work through the year drawing each page of the book. Not everyone realizes all the hard-work and dedication it takes to put together a different book each year. I'd like to thank Miss Foote for her patience and for the guidance she has given me and the staff. And to Steve Brown a thanks to you for designing this fantastic cover and all the other art work in the book. This year, to promote our book, we put on a dance with a slide show of people around the school. With the help of our D-J, Randy Hulsmeyer, we added in music to make "Waynesfield Videos." Ending the year takes even more dedication during the few weeks that we work while everyone else is enjoying their summer vacation. As usual, there seems to be a lack of workers at this time and I'd like to encourage future yearbook staffers to "stick to it." Editing the book for 2 years, I have learned a lot about yearbook production. Thanks to Miss Foote for showing me the ropes. Best of luck goes out to Jodi Young as she edits next year's book. Jodi, "listen to Miss Foote. She knows what she's doin', even though it doesn't always seem that way!"

## SENIOR HOMECOMING BEAUTIES HAD BEAUTIFUL MOMS!

Most people tend to disregard old quotes and fork lore sayings but this year saw one proved. "History" does repeat itself. During our research of history at WGHS we discovered that "our" Senior Homecoming Court for 1985, had beauties for moms too. Past yearbooks reveal much that most of us have forgotten or didn't even know! Thus we give a 1985 salute to all our previous "Queens", and a special salute to those that gave us our 1985 "beauties". Natalie Taylor's mother, Janis Shaw Taylor was Homecoming Queen in 1957. Melissa Wilcox's mother, Janet Stalnaker Wilcox was Homecoming Queen in 1958. Tracy Riff's mother, Carol Turner Riff was FFA Queen in 1953.

## REFLECTIONS OF TIGER SPORTS

Our research for the History of Sports at W-G began with searching through old yearbooks as far back as 1914. There was only one sport each year which varied from school year to school year. The main sports were basketball, baseball, football & track.

Basketball was the only sport in the year 1914 & was coached by Mr. Lusk and had a 4-2 record for the season. By the late 1920's basketball had become a permanent sport. There were many winning seasons with 1943 and 1963 undefeated, and this year 1985 winning the WCOC. Girls basketball entered W-G in the year 1928 coached by Mr. Ford and had a 6-11 record. Girls basketball had its ups and downs and several years passed with no teams competing. However, in the late 60's the Lady Tigers came into their own and they too have enjoyed winning seasons.

Baseball made its way to Waynesfield in 1916. No coach was given, but the team brought in a 2-2 record. In 1972 W-G won the Auglaize County League Championship. In 1982 the baseball team brought home the District Championship coached by Bob Elsass.

Football was started in 1928, and coached by Mr. Frankfather. Various winning seasons then followed under different coaches, too many to mention in our space. The Tigers hauled in the Logan County League Championship in 1970 and the WCOC

Title in 1979.

Track was evident 57 years ago in 1928 coached by Mr. Frankfather. There was no trace of track after that until 1962 with Mr. Martin Smith and they were runners up in the county meet. Then in the year 1970 the tracksters won the Auglaize County League & the Logan County League Championships. The Tigers took the WCOC Title in 1979 and have held the #1 spot in the league ever since. Very little was found on girls track, with the ladies coming into their own only recently. They too have held WCOC titles.

One of our more recent girls sports is volleyball, started in 1970 and coached by Miss Rambo & Mrs. Wartman. That squad won 2nd place in the Logan County League. In 1973 the ladies brought home a WCOC title. Various coaches through out the years have brought home various records.

Team sports are a valuable part of the school year and a learning experience for everyone who participates. There has been no loss of "Tiger Pride" at W-G. It is very evident that spirit and pride are the major foundations in our school, as shown by the amount of people that have participated and how well they played the game.

Seniors Steve Brown and Gary Spencer led the Tiger track team to their 7th consecutive WCOC track and field title as Brown won the 100m dash for the fourth straight year and anchored the 400m relay team to victory. Spencer won the pole vault and was a member of the victorious 400m relay team. The Tigers scored 100 ½ points in the conference meet to defeat runner-up Fairbanks who scored 98 ½.

With a strong group of juniors and seniors returning, it appears that "Keep it alive in '85" will be replaced by "Same tricks in '86" as the Tiger boys go after WCOC title #8. Steve Brown won the Tiger Award. Tod Lament earned the Top Field Event Award; Gary Spencer the Multi-Events Award; Scot Dudgeon the Middle Distance Award; and Ron Easton the Most Improved Award.

The baseball team ended up their season by beating Temple Christian in extra innings to give them an overall record of 7-6 and a league record of 3-3. This seemed to be a pretty good season when you consider that there was only one starting senior on the squad and no experienced pitchers returning after Rob Gilroy broke his wrist two weeks before the first game. The ball players gained a lot of very valuable experience which will be sure

to pay off in the next couple of seasons if the guys dedicate themselves, keep working hard, and do like every great athlete — don't give up. Special awards given out went to Rick Hill — Defensive Award, Jamey Turner — Offensive Award, Brian Joseph — Pitching Award, Dan Coder — Home Run Award, and the Tiger Award to Bruce Haggard.

## W-G ATHLETES HONORED AT BANQUETS

## STORYTELLER ENTERTAINS, TEACHES

The expression on the faces of the children told a story all by themselves. Lilly Marge Kelly, a professional storyteller from Cincinnati, held students from grades four to six spellbound with stories.

She also shared stories with children in kindergarten and first grade and talked to seniors. Mrs. Kelly spent the weeks of March 4-8 and 18-22 at W-G as part of the Artist in Residence program of the Auglaize County Schools which is co-sponsored by the Ohio Arts Council.

Several area residents shared their knowledge of history and the area with

the students. Mr. Paul Font, dressed as a Civil War soldier from the 27th Ohio Infantry, fascinated the seventh and eighth graders with his memorabilia of the Civil War.

Mr. Herman Blank brought part of his gun collection and various antique articles for the students to view. Another long-time resident, Dayton Bodell, talked to the students about how Waynesfield used to be. He informed and amused the children with his stories.

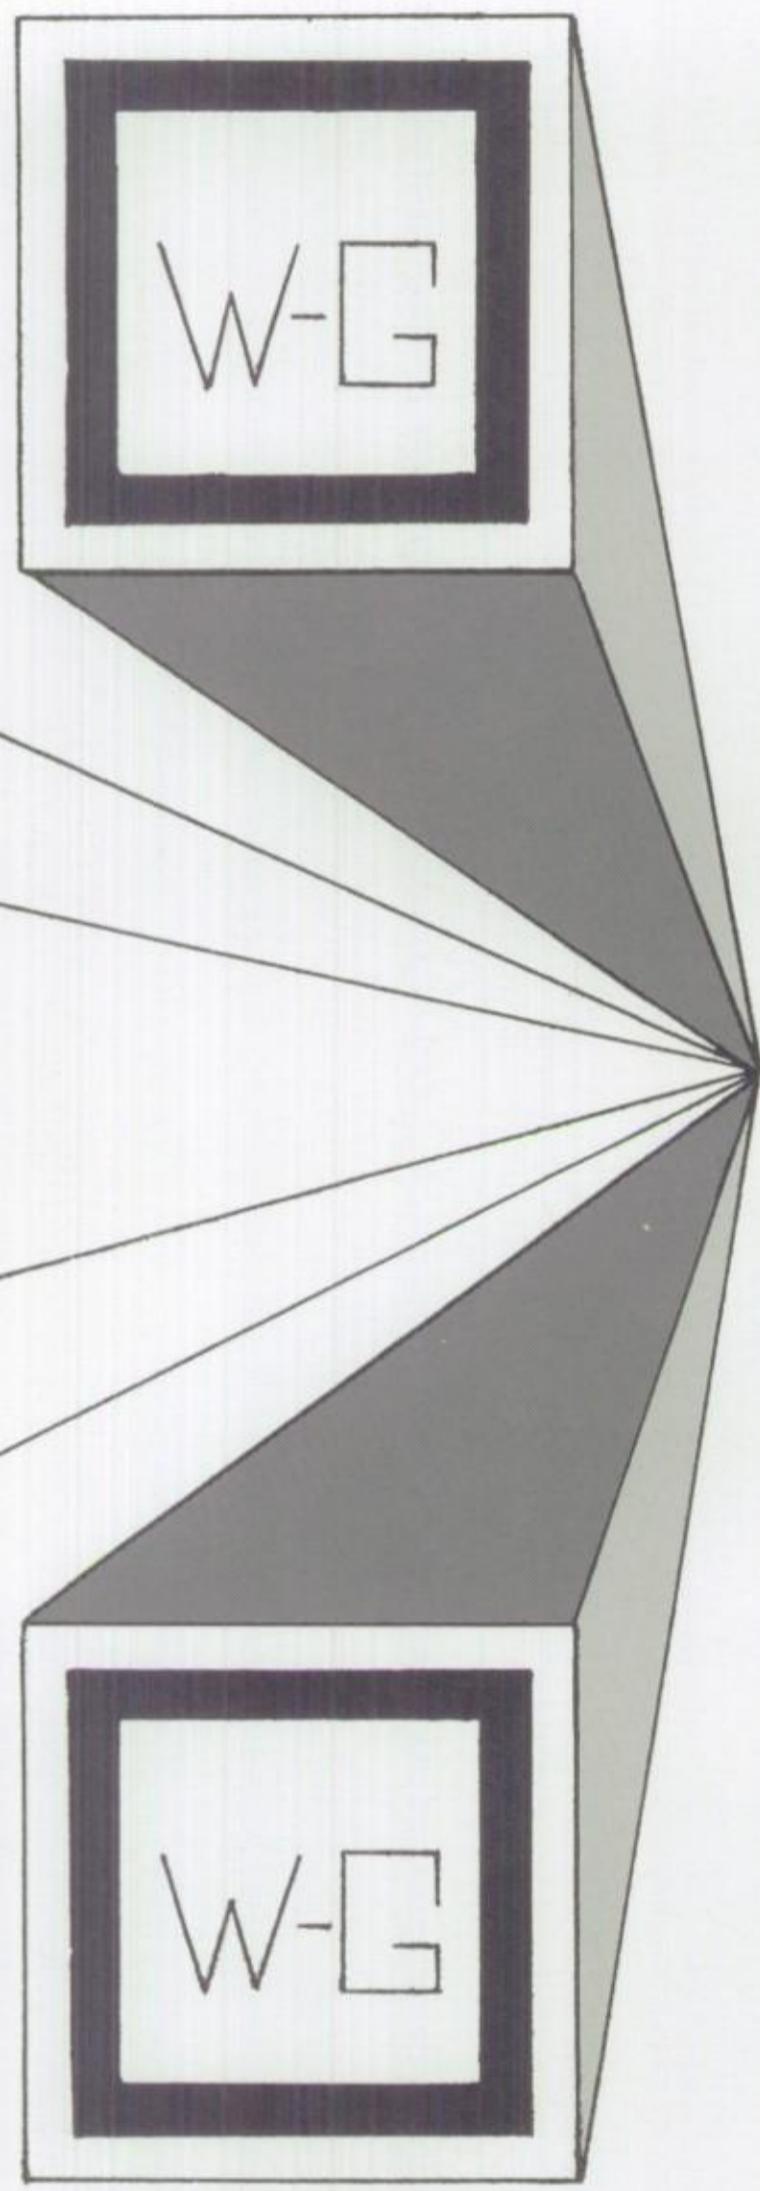

Several projects have been completed. A "Name Game Book" was authored by

the seventh grade class and several teachers, and two coloring books were created by the high school gifted class for the first grade.

On going projects are interviewing area residents and collecting local history tales for a book which is to be the final project.

All of the information brought forth during the Artist in Residency program is helping the children gain a new perspective of the past and a greater appreciation of their heritage.

## THE YEAR

Converging on old Wayne-Goshen in late August of 1984 were 640 eager students to start yet another school year. Nine months of hard work and good times were ahead of us.

With the advent of fall came football season and volleyball. Our football team had a winning season in contrast to the volleyball team which did not do as well.

Our first dance of the year was Homecoming, with Z-Man Sound System to provide the music to make our dance "Almost Paradise." In the course of the year there were 4 other dances, the most for one school year in a long time.

Christmas break at any school is anxiously awaited and at our school it was no different. When we returned in January we found ourselves with new chorus, band, and Spanish instructors. Miss Suber, Mr. Kinsey, & Mrs. Pepple replaced Miss Higbea, Mr. Thomas & Miss Estrada.

This school year we had a winning boys basketball team. In fact, our boys won the conference title under the coaching of Marty Riggs. The girls in contrast to the boys did not do as well, but with Joe & Jean Horns' coaching ability obtained a respectable 10-10 season.

Spring break was a welcome "visitor" the first week of April. We all needed the three extra days off to help break-up the monotony of the school year.

## IN REVIEW

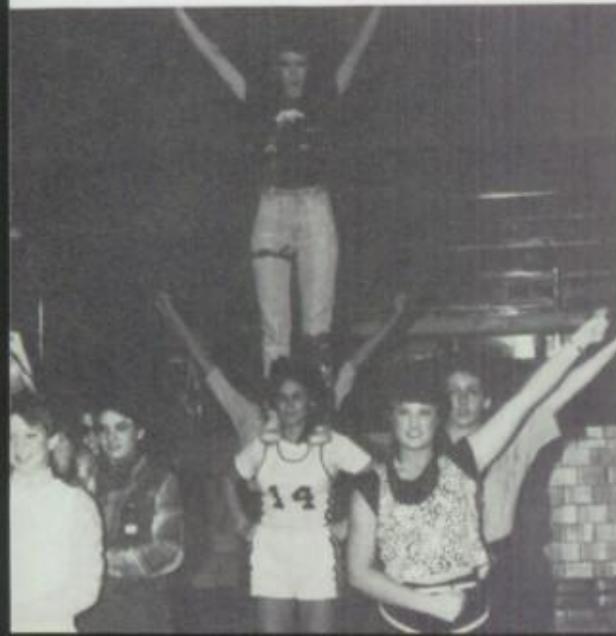

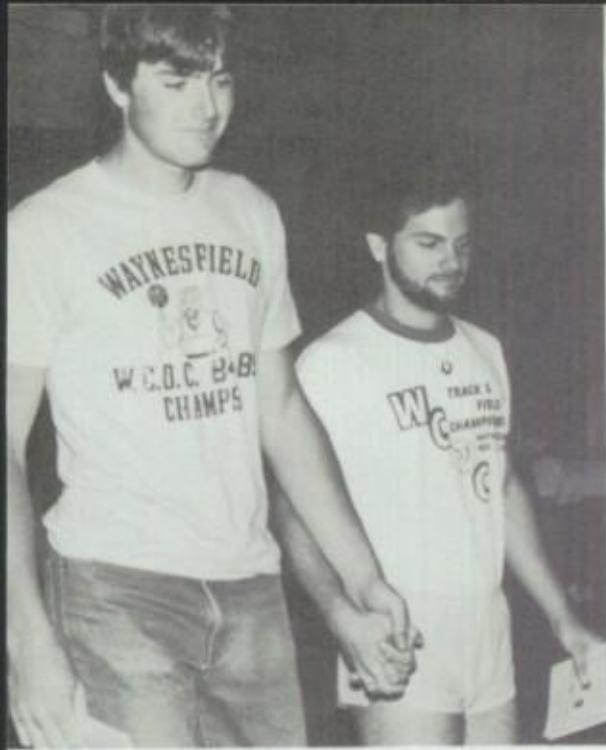

Spring at W-G creates thoughts of such activities as baseball, track, musicals, and Prom. This years baseball team achieved an overall record of 7-6 with the coaching of Ron Brown. Our boys track team won their 7th consecutive conference title and the girls team finished runner-up.

At this time music and dancing was in the air. W-G high school students with the help of Miss Suber worked very hard and created their version of the musical "TEEN."

At the beginning of April, the Juniors started planning Prom. It seemed as though there was a division of ideas in the Junior Class, but as usual everything came together and the 1985 Prom theme of "I Can't Fight This Feeling" was a huge success.

Graduation is always a welcome sight to any Senior class and this old standard held true for the Class of 1985. Commencement was held on June 2, 85 in the high school gym.

Although the school year of 1984-85 at W-G seems to have had a lot of ups and downs, we've made it through another year and have sent the Seniors out into the world and the rest of the school community is now relaxing at the advent of summer vacation. Thus ends another school year at W-G. We will always hold fond memories of our days spent within the walls of Wayne-Goshen, Tiger Country.

# Thank You!

Yearbooks are memories that last forever. The hard work and dedication that puts a book together would be worthless if it weren't for the businesses and the people of our community and surrounding areas. With their support year after year we, the yearbook staff, can have our book published just the way we want to present it to you — the school community. We appreciate the continued support from all our advertisers and say thank you again for letting us bring you the best W-G Yearbook ever put together.
